HORNE ED

Inspection

Type: PRELICENSE INSPECTION #1

Date: AUG-19-2004

2169 S CENTURY BLVD  
MCDAVID, FL 32568

**2.40 (b)(2)**

**ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).**

(b) Each dealer or exhibitor shall establish and maintain programs of adequate veterinary care that include:

(2) The use of appropriate methods to prevent, control, diagnose, and treat diseases and injuries.

Several of the dogs have matted hair, moist dermatitis or hot spots. I observed 4 dogs with ocular discharge. Some of the dogs have been treated for mites but require further treatment. The animals should be treated prior to calling for your next prelicense inspection.

You have 90 days and a total of 3 attempts to meet the requirements for obtaining a license. Please call me when you are ready for the next inspection.
